Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Saturday 09 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and fine to start, rain by evening.

Today:
After a dry and bright start to the day it will turn increasingly cloudy into the afternoon with the chance of the odd spot of rain in the west. Maximum temperature 4 deg C (39 deg F).

Tonight:
More persistent rain will push southwards through the evening, with further rain pushing in from the west during the early hours. Minimum temperature 0 deg C (32 deg F).

Sunday:
Cloudy with the chance of patchy rain throughout the day tomorrow, but this turning more persistent into the evening. Feeling less cold than of late. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Rain pushing southwards on Monday, clearing by late evening. Remaining dry through Tuesday, with rain, sleet and snow pushing in from the southwest on Wednesday.
